

## Give cycling a try

Save money, get fitter and feel better this year. Commute to work by bike! Our Borrow a Bike scheme, aimed at those who are considering cycling to work, will give you a taster so you can find out if cycling works for you. Maybe you already cycle but would like to try an electric bike or a folding bike? Borrow it from us for two weeks completely free of charge and see how you get on. There are no hidden costs and no catches, so travel smarter this year.

# Clevedon town paths

Transition Clevedon aims to tackle local issues arising from climate change and diminishing energy resources to make our community a better place to live. By walking or cycling along these paths you can help by:

- using your car less and saving fuel
- reducing your carbon footprint
- having a healthier lifestyle
- improving air quality and noise levels
- making Clevedon a safer place for children
