

Proposed extension of the Strawberry Line eastwards from Wells to Shepton Mallet. Sustrans have produced a study indicating that the route is feasible subject to the agreement of private landowners on the route, which follows closely the former railway line.

Possible options identified for a route linking Shepton Mallet to Frome and Radstock using the Colliers Way.

National Cycle Network Route 3 The West Country Way runs from Bristol to Cornwall. This section links Wells and Glastonbury on traffic free paths and quiet country lanes.

Possible option for a route to Glastonbury Festival site.
